

“Child Find”

Ware Public Schools accepts referrals, provides special education evaluations, and develops and implements Individualized Education Programs (IEP's) for private school students whose parents live in Ware and for students who attend a private school in Ware. If you have a student for whom you have concerns regarding academic progress, behavior, social skills, fine or gross motor skills, speech or language skills, vision, hearing, mental and/or physical health, please call the Department of Special Education at 413-967-7261 for more information.
