*Partnering to enhance and enrich the education of our students*

Dear Students, Families, Friends, Teachers and Staff of Ware SMK Elementary School:

Welcome to the 2011-2012 school year. We are looking forward to another exciting year at SMK and we hope you will join us at our meetings and events throughout the year. You will notice that we are promoting the theme of our mission statement "*Partnering to enhance and enrich the education of our students*".

The SMK PTO strives to support the school's needs in a variety of ways, from purchasing educational supplies to replacing much needed hardware, supporting grounds maintenance and so much more! One of our most rewarding achievements has been securing funding so that every child has the opportunity to attend class field trips at no cost to the families. We have been able to maintain these achievements year to year, but we cannot do it without you and your support!

Meetings will be held at **6:15 p.m. on the first Monday of each month** (meetings that fall on school holidays are typically held the second Monday of the month). There is **no cost to join** and **free child-care is provided**. Attending one of our meetings does not commit you to anything. You can hear what is happening in the school and share your ideas for upcoming or new events and fundraisers.

We have included a schedule of meetings and a preview of the year's events. We look forward to seeing you!

Sincerely,

Mary McFaul
